Good evening Jason. I hope you are doing as well as possible under the conditions, and that you time has been peaceful.

We will order the file from archives and then copy it for you and send it to you. Due to the pandemic, we do not have anyone in the office currently, but we will place the order and once it arrives, I will have someone go into the office to copy and mail it.

I will keep you updated.

I would like to know if you can provide me with a copy of my entire discovery materials? I was being held at FCI Estill, in South Carolina until a couple month ago due to a Tornado. As a result of the Tornado, I do not have access to my legal materials or property and have received no indication when those materials may be made available to me. I am now at USP Lewisburg, in Pennsylvania. I need my discovery documents as soon as your able. Also, if your not able to provide them to me, please submit a request to the court on my behalf. Thank you for your time and assistance to this matter.
